## PAID SICK LEAVE AND EXPANDED FAMILY AND MEDICAL LEAVE UNDER THE FAMILIES FIRST CORONAVIRUS RESPONSE ACT

The **Families First Coronavirus Response Act (FFCRA or Act)** requires the Federal government to provide all of its employees with paid sick leave and, for employees who are covered under Title I of the Family and Medical Leave Act (FMLA), with expanded family and medical leave for specified reasons related to COVID-19. These provisions will apply from April 1, 2020 through December 31, 2020.

### ► PAID LEAVE ENTITLEMENTS

**Generally, the Federal government must provide Federal employees:**

Up to two weeks (80 hours, or a part-time employee's two-week equivalent) of paid sick leave based on the higher of their regular rate of pay, or the applicable state or Federal minimum wage, paid at:

- 100% for qualifying reasons #1-3 below, up to \$511 daily and \$5,110 total; and
- ⅔ for qualifying reasons #4 and 6 below, up to \$200 daily and \$2,000 total.

Federal employees including those not covered under Title I of the FMLA can receive either ⅔ of the higher of their regular rate of pay, or the applicable state or Federal minimum wage for the two-week period for qualifying reason #5 below. However, for leave under qualifying reason #5, Federal employees covered under Title I of the FMLA can receive 10 additional weeks of expanded family and medical leave for reason #5 below, up to \$200 daily and \$12,000 total.

A part-time employee is eligible for leave for the number of hours that the employee is normally scheduled to work over that period.

### ► ELIGIBLE EMPLOYEES

All Federal employees are eligible for up to two weeks of fully or partially paid sick leave for COVID-19 related reasons (see below). *Federal employees who are covered under Title I of the FMLA and have been employed for at least 30 days* prior to their leave request are eligible for up to an additional 10 weeks of partially paid expanded family and medical leave for reason #5 below.

Most federal employees are not covered under Title I of the FMLA and so would not be eligible for partially paid expanded family and medical leave. Please consult with your agency to determine whether you are covered under Title I of the FMLA. The Office of Personnel and Management will issue guidance on this question.

### ► QUALIFYING REASONS FOR LEAVE RELATED TO COVID-19

A Federal employee is entitled to take leave related to COVID-19 if the employee is unable to work, including unable to **telework**, because the employee:

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                                                                                           |
